Where it is the case that a participant is not the owner of the vehicle to be used, registration must be accompanied by a waiver of the owner of the vehicle; alternatively, said waiver is to be presented no later than upon commencement of the event. The participant shall also be responsible in the context of the provisions of civil law for ensuring that the waiver is of a legally-valid content. In the event that the waiver of the owner of the vehicle as presented shall be found to be of a misleading or false content, the participant shall undertake and be obliged to indemnify the event-organiser against any and all claim(s) asserted by the owner of the vehicle. Front-seat passengers are required to be at least 16 years of age (in Italy, France and on the Nordschleife, at least 18 years of age).

Each participant shall be required to assume themselves any and all costs incurred in conjunction with their vehicle, travel to and from the event, provisions and accommodation. The organiser reserves the right to make any and all such changes to the programme as may be necessitated for reasons of force majeure, general safety and security or of any such conditions / restrictions as may be imposed by the authorities; this right may, by extension, involve cancellation of the event, where extraordinary circumstances may so dictate. No occurrence of any of the above will give rise to entitlement in favour of the participant to payment of compensation. The event-organiser may, at its discretion opt to cancel the event (or individual groups) where registrations fall short of requirements. In this event, participation fees paid shall be refunded. Any attempt to assert further claims against the event-organiser as a result of such development shall be deemed strictly inadmissible.
